

PETITION

The Illinois Commerce Commission has requested that the residents of Del Mar Woods sign a petition indicating whether or not they are in favor of a rate increase to replace water pipes and hydrants in Del Mar Woods. The rate increase does not include replacing water pipes from residents' homes to water mains. The Illinois Commerce Commission, Del Mar Water Company, and Utilities Inc., held a meeting at Bannockburn School Library the evening of January 8, 2002, to discuss this issue. For those residents unable to attend that meeting, a summary of issues discussed is available. Upon attaining signatures, the petition will be presented to the Illinois Commerce Commission.
